The House then adjourned.

FOOD RIOTS IN FRANCE.—There have been food riots in some provincial towns. At Tours, the populace resisted the exportation of grain; soldiers were called out; and many people were wounded, others arrested. On the 25th, the people of Boulogue resisted the export of potatoes and cattle for England. M. Adam, the Mayor, was mobbed, the Sous Prefet was nearly killed; in the midst of the turmoil, twenty-five cattle were let loose and chased about the town, and in the evening the Mayor was serenaded with the indebted to said estate are hereby notified to settle with the under

that Beder Khan Bey collected various detachments of troops under the command of the Beys of Haikasai and Bevari, himself taking command of a large body of Kurds, marched into the country of the defenceless and unresisting Nestorians. He then divided his force into small parties, and fell upon the villages.—

Thirty-six of these villages were utterly destroyed, the dwellings being plundered and burnt, and the inhabitants, men, women and children, put to death by every species of torture which cruelty could invent.

Is hereby given, that I have taken out letters of administration on the estate of William Huffington, late of Marion country, on the estate of Indiana. All persons indebted to said estate are requested to make immediate payment, and those having claims to present them for settlement. A sale of the personal effects of the deceased will take place at his late residence, south of Indianapolis, on the old make immediate payment, and those having claims to present them for settlement. By the President of the United States. By the President of the United States IN pursuance of an act of Congress, approved on the clear of the United States to self the reserved mineral lands in the States of Illinois and Arkansas, and Territories of Wisconsin and lows, supposed to contain lead ore," I. JAMES K. FOLK, President of the United States of America, do hereby declare and make known that a public sele will be held at the land office at DUBUQUE, in the Territory of lows, commencing on Monday, the eighth day of March maxt, for the sale of the public lands HERETOFORE WITHHELD PROST SILT ON ACCOUNT OF THE PALUABLE LEAD MINES THEREIS, within the following townships and fractional

ownships, known as the given than mine perfairer, to wit:

North of the base time and east of the fifth principal meridian.

Townships eighty-eight, eighty nine, and ninety, and fractional waship ninety-one, of range one. Township eighty-eight, and fractional townships eighty-nine sety, and amety-one, of range two. Township eighty-seven, and fractional townships eighty-eight and eighty-nine, of range three.

Fractional townships eighty-seven and eighty-eight, of range four.

Fractional township eighty-seven of range ave.

North of the base line and teest of the fifth principal meridian.

Township ninety, and fractional township ninety-one, of range

Fractional townships ninety-one, ninety-two, and ninety-three, of Township ninety-one, of range three.

& Lands appropriated by law for the use of schools, military, and other purposes, will be excluded from sale pulso all quarter quarter sections covered in whole, or in part, by these thining leases, which Section twenty-four, in township eight; all of range one.
Sections twenty-four, in township eight; all of range one.
Sections twenty-four, in township eight; all of range one.
Sections twenty-four, in township eight; all of range one.
The emption claims will not be allowed to any of the above lands, until after they have been offered at public sale, and become subject to private entry; and all of such lands as contain a mine or mines of least ore actually discovered and being worked, will be sold in the sale of least ore actually discovered and being worked, will be sold in such legal auddivision or subdivisions as will include such mine or mines, at not less that two dollars and fifty cents per scre.

The sale will be kept epen for two weeks, (unless the lands are sooner disposed of) and no longer; and no private entries of land in the townships and fractional townships so effered will be admitted until after the expiration of two weeks from the commencement of said sale.

ment of said sale. In further execution of the said act, I have caused the Commis-sioner of the General Land Office to publish with this proclamation a brief description of the mineral regions in which there lands lie, and of the lands now offered for sale, which he has prepared from official documents and other me as of information.

Given under my hand at the tity of Washington, this fifth day of September, Anno Domini one thousand eight hundred and forty-six.

By the President:

JAMES K. POLK.

James H. Piper, Acting Commissioner of the General Land Office.

The lands in the mineral regions, embraced in the above procla-mation of the President of the United States, are believed to contain the richest mines of lead that have yet been discovered; the ore yielding about eighty per cent of pure metal. Copper, also, ha been found in this region in considerable quantities.

Great advantages are said to exist for the manufacture of lead in various forms, particularly into shor, the river banks being so ele-
